Dear Judge Batanni

Hi Judge Batanni I hope all is well with you. I am writing you this letter to thank you. And you may wonder what I am thanking you for. The last time I was in your courtroom, you asked me some questions that really stuck with me over the years. Those questions made me deeply reflect, and do a lot of brain storming. "What can I do or say to younger boys and girls 16, 17, 18 years of age from facing prison time." So I have come up with some plans for helping the youth, motivational speaking for one part and raising awareness. Also getting funds to start vocational training for at risk youth. I feel obligated to give back because I know that I can make a great change. My sister told me that you believed in me, And that motivated me. Not

Only to come up with a plan but to apply myself as well. Once again I just wanted to say thank you.

ALSO I wanted you to ponder on when the day comes to start the programing. That we stand as one to show that we can stand together for a greater cause which is inspire and uplift the youth. Thank you your honor for your time.

Sincerely
Deonta Matthews
